This is the first issue of the Pre-Law Advising newsletter, exclusively for UA alumni! Each month, we'll feature important aspects of the application process and other relevant information to help you succeed on your journey to law school.

### **The LSAT**

The LSAT has been a little different since the first administration of the LSAT-Flex in May 2020. The new online format for the LSAT will continue through June 2022. However, the LSAT-Flex ended in June 2021. Beginning with the August 2021 exam, the LSAT will now return to its pre-COVID practice of including a fourth, unscored variable section. With the addition of this fourth, unscored section, the LSAT will now include a 10 minute break between the second and third sections.

## LSAT Score Preview

LSAC now offers a score preview option for first-time test takers who wish to see their LSAT score before deciding whether to keep it and have it reported to law schools. First-time test takers who sign up for score preview will receive their scores at the same time as other test takers, but will have six calendar days to decide if they want to cancel or keep their score. The Office of Pre-Law Advising encourages test takers using this Score Preview option to reach out to us with any questions or concerns before deciding to cancel their score.
